******PLEASE NOTE: DATES ABOVE REPRESENT EXPIRATION OF THE COMPANY'S LIABILITY INSURANCE. If you are planning to use a Moonbouncer at your event, please choose a company from the above whose insurance policy will cover the date of your event.**

The City of Los Angeles does not recommend or endorse one company over another. The companies listed above have simply complied with the insurance requirements set forth by the Los Angeles City Attorney's Office. We have no knowledge of the reputation, safety, or reliability of any of these companies. Moonbouncers are not permitted at all City parks in the Valley area. Please confirm with the Park Director if a Moonbouncer is allowed at that facility, and that a large event has not previously been scheduled for the same day as your event, which would exclude the set-up of your Moonbouncer. You may find the phone number for the Park Director by looking in the front of the "White Pages" under the heading "City of Los Angeles", and the sub-heading of "Department of Recreation and Parks". This information can also be found at our web-site: www.laparks.org. **If the park is not listed, it is considered "non-staffed"**
